

Coming to the Child Development Centre

Welcome to the
Child Development
Centre.

This is reception.
You can tell them
your name.

This is the way to the waiting room.

This is our toilet.

This is our waiting room.

There are toys and books in the waiting room.

There is a big picture on the wall too.

The person you are seeing will come and call your name.

You will leave the waiting room.

If you are seeing a doctor or a nurse you will go to a room like this.

You might see a Psychologist or a Speech and Language Therapist in a room like this too.

If you are seeing a
Physiotherapist or
Occupational
Therapist you might
go to their gym.

We might want to see how tall you are and how much you weight.

When you have finished it is time to leave.

This leaflet is available in large print and other formats and languages.
