Introduction to our response

The Trust operates an Emergency Department. It does not operate an Accident and Emergency Department. Further details can be located on the Trust website at: <https://www.plymouthhospitals.nhs.uk/emergency-department>. Minor Injuries services are provided by Livewell Southwest. Our response reflects our Emergency Department service department only.

Accident and Emergency

- 1. As of April 2010, the total number of Accident and Emergency beds within the Trust (including predecessor Trusts)**

10

- 2. As of March 2011, the total number of Accident and Emergency beds within the Trust (including predecessor Trusts)**

10

- 3. As of April 2017, the total number of Accident and Emergency beds within the Trust.** Please split the figures for questions 1-3 into overnight beds and day-only beds. This request includes beds that were temporarily unavailable.

10

- 4. Please list any Accident and Emergency wards or units that have been permanently closed since April 2010. Please state how many A&E beds they included at point of closure.**

None

- 5. Please provide the business case or management report/review underpinning each closure listed in response to question 4**

Not applicable

- 6. Please list any Accident and Emergency wards or units that have been permanently opened since April 2010. Please state how many A&E beds they include.**

Not applicable

In this request, Accident and Emergency beds, wards and units are those whose primary usage is for Accident and Emergency cases.
