You asked

Please could you supply a figure for the number of patients in Intensive Care in your Trust who were offered hypothermia therapy in each of the following financial years:

a) 2015/16

59 patients were offered this treatment between 1 April 2015 and 31 March 2016.

b) 2016/17

74 patients were offered this treatment between 1 April 2016 and 31 March 2017.

Of these, please supply a figure for the number of patients who received

a) surface cooling

b) non surface (invasive) cooling

c) Targeted Temperature Management (hypothermia therapy) in each year

We do not carry out b) non-surface (invasive) cooling on the unit. a) and c) are for the most part the same process.
