### **You asked**

**We request a breakdown of your suppliers of mobility-related products (wheelchairs, hoists etc.), including names, goods/services supplied and funds paid out to each supplier.**

**Though our focus is primarily the disability & mobility areas, a general overview of your suppliers would suffice if this is more convenient**

### **Our Reply**

Physiotherapy & Occupational Therapy mobility aids (sticks, frame, crutches, wheelchairs etc.) are all supplied by the Community Equipment Store. Tender currently held by Millbrook Healthcare.

Please find the attached Wheelchair and Hoist Suppliers Spreadsheet.

Plymouth Hospitals NHS Trust has a hoist maintenance contract with ArjoHuntleigh which includes 12 months service and 6 month LOLER checks (value approx. £21k).

All other maintenance on hoists and wheelchairs is carried out in-house, purchasing spare parts as and when required.
