You asked

It has previously been reported the total cost energy supplies to the National Health Service in England was £570 million per year. I would like to request the following regarding your specific NHS Trust:

- The Trust's total annual expenditure on a) gas and b) electricity for the two most recent years for which data is held

Our reply

The Trust's total annual expenditure is as follows.

2016/17

Gas	£1,208,343
Electric	£1,838,887

2017/18

Gas	£1,399,578
Electric	£2,450,730

This information forms part of ERIC returns.
