You asked

Please could I enquire as to what system your Trust uses to record clinical and non-clinical incidents that occur within the Trust?

Specifically, I would like to know the following:

1. **Does your Trust use an electronic system to record and manage clinical and non-clinical incidents including patient safety incidents?**

   Yes

2. **If yes to question 1, what is the name of the system you use to record and manage clinical and non-clinical incidents within the Trust?**

   Datix

3. **In relation to the system named in question 2, do you use the system for any other functions other than the reporting and management of incidents?**

   Yes

4. **If yes to question 3, could you please detail what additional functions the system is used for (i.e complaints management and risk management)?**

   The management of Risks, PALS, Complaints, Claims, Inquests and Safety Alerts.

5. **Could you please provide the cost of the system named in question 2 for the last financial year (2017/18)?**

   £56,320.76

6. **If possible, could you please provide the cost of the system named in question 2 for the last 5 financial years?**

   £253,963.76
