## Freedom of Information Act Disclosure log - Reply Extract

### You asked

#### Response introduction

Please note: This response is based on reports run on missing items reported only. If the item has not been reported as missing then this will not be reflected in the provided response.

All Trust owned ICT equipment reported missing is registered as an incident and investigations made to recover items, mitigate risks and learn from each event. All Trust computer equipment is password protected.

Missing patient property data is not consistently reported. The reply below only refers to Trust held equipment.

### You asked

**I'd like to know the number of electronic items reported missing – both Trust owned devices and patient property, at your trust over the last three calendar years broken down by year, 2018, 2017, 2016.**

- **Mobile phones**

2016: 0, 2017: 0, 2018: 0

- **Laptops**

2016: 1, 2017: 0, 2018: 0

- **Tablet computers**

2016: 4, 2017: 0, 2018: 2

**If possible, please list the make of the devices e.g. 'Apple', no worries if this is not possible.**

The Trust does not record this detail.

**Attachments included:** No
