You asked

At the moment I'm working on a project that requires me to find out how many vials of Synacthen 250mcg/ml injection have been used in hospitals in UK.

Would you happen to have this kind of data for the Synacthen 250mcg/1ml injection for your trust for the last 5 to 10 years please?

The Trust only holds electronic records of this item being issued from 6th August 2015.

From the above date until present, the Trust has issued: 1,072 ampoules.
