Email: joinus@transplantees.co.uk

Get Active and Stay Healthy!

- **Have you had a transplant?**
- **Would you like to meet other transplant recipients?**
- **Would you like to raise awareness of organ donation?**

If the answer is yes, please look inside!

Plymouth Transplant Games team & Devon and Cornwall Transplantees

About us

We are a group of transplant recipients who live in Devon and Cornwall.

Along with family and friends we meet up on regular occasions at social events, share experiences with like minded people and generally have fun and enjoy life.

We cover both counties and therefore have events in both Devon and Cornwall but are always looking for new adventures and new locations to get together!

We hold fundraising activities throughout the year to enable the group of transplantees called "Plymouth Transplant Games Team" to attend the annual British Transplant Games. Most of us are currently involved in the team.

In addition we like to get involved with presentations, talks at schools and groups to highlight organ donation.

Devon and Cornwall
Transplantees

Competition

Some of the Devon and Cornwall Transplantees represent Plymouth Transplant Games Team at the annual British Transplant Games.

The British Transplant Games is a four day sporting event held at various locations throughout the UK with the main aim of raising awareness of organ donation and what can be achieved post transplant.

Over the four days, transplantees of all ages (2 to 80+) and all abilities compete against each other in activities such as golf, darts, snooker, swimming, athletics, ten pin bowling, tennis, badminton, bowls and many more.

Note that you do not have to be a sports person before or after your transplant as there are events to suit everyone and every age.

TRANSPLANT
SPORT

Donors Save Lives

Transplant Sport aims to raise awareness of the need for organ donation, and to show appreciation for and remember the donors and their families.

More donors mean more lives saved.
