

APPLICATION FOR FUNDING

Applications to the Trust's General Charity are considered by the Charitable Funds Committee, whose spending priorities are: Patient safety and quality; Staff education, motivation, development and wellbeing; Research and innovation and supporting those areas that do not benefit from direct donations or have access to charitable funds.

Please describe the project or initiative for which you are seeking funds.

Who will benefit? Consider how this funding supports the Committee's spending priorities and/or your service line or department's development.

Total funding requested:
(please attach quote/s)

£

Name:

Tel No:

Have other sources of funding been approached or considered? For example: Improving Working Lives fund; sharing cost with another Trust fund; capital – if yes, what was the outcome?

Please now sign and date the form of the reverse of this sheet.
