You asked

We would like to know details of contracts awarded by the Trust; the vendor involved, the category e.g. equipment maintenance, date of award, value and contract length. We would like this information for the past 3 years.

University Hospitals Plymouth NHS Trust is confirming in accordance with section 1 (a) of the Act that it holds the component information requested. It does not currently hold a document describing the information you have requested.

The Trust is currently looking to update its published list of contractors and it will be displayed within our publication scheme in section 2. What we spend and how we spend it. The item number is 11: Contracts awarded. Please find the attached link: <https://www.plymouthhospitals.nhs.uk/publication-scheme> for your ease of access. The date for its completion is not yet confirmed. Consequentially the Trust is refusing to supply the information in compliance with section 22.-(1)(a)

Advice and assistance

Can I point you to our published list of expenditure over £25,000 and this will provide you with date, expense type and area, supplier, amount and description. Data sheets are produced each month and published here: <https://www.plymouthhospitals.nhs.uk/expenditure-over-25k>
