You asked

1. The most up to date data on the number of employees who have left your employment every calendar year, broken down by job role, going back to 2010 (e.g. what data you have for 2021, then, 2020, 2019 and so on)
2. The number of people you have hired, broken down by job role, over the same time frame

This information should be made available to me in electronic form, and as raw data if possible.
