### You asked

How many young people aged between 0-25 are currently in your hospitals for treatment of covid?

### Our reply:

On the 30/07/2021 there were five or fewer inpatients between the ages of 0-25 that had a positive covid test.

We are unable to identify whether they required treatment for covid or not. Patients with covid may be asymptomatic and admitted for other reasons.

### Legal notes

University Hospitals Plymouth NHS Trust is confirming in accordance with section 1 (a) of the Act that it does not hold the information requested.
