## **Freedom of Information Act Disclosure log - Reply Extract**

### **You asked**

Please could you provide me with the total number of beds at each hospital within your Trust?

### **Our reply**

Please note the number of beds in the hospital flexes on a daily basis to accommodate the number of necessary admissions.

Based on the period Jan – Mar 2017 the average number of beds were as follows:

965 adult beds

56 paediatric / cot beds
