Freedom of Information Act Disclosure log - Reply Extract

You asked

- 1) The number of times your trust has sent a patient to a zoo or safari park for a medical investigation or procedure (e.g. MRI scan).**
- 2) For each of these instances please can you detail the following:**
 - a. The zoo or safari park the patient was sent to.**
 - b. The investigation or procedure that was carried out.**
 - c. The reason why the patient was sent to the zoo and not treated within a hospital or other regular medical facility.**

Reply

This procedure is not something which is systematically recorded on CRIS. We would therefore not be able to accurately report any figures for this FOI request.
