### You asked

- 1 - Number of adult patients who are medically fit to leave hospital but are currently unable to be safely discharged. Most recent figures are preferential; however the latest on record would also be of use.**

On the 13/04/2017 the nationally reported figure for patients remaining under the care of Plymouth Hospitals NHS Trust because of community issues, but medically fit for discharge was 55 patients. The number on the 02/01/2018 is 61.

- 2 – Please provide the number of packages of care that are currently delayed due to lack of staffing resources within the community.**

The Trust does not hold the information. It does not provide community services.

- 3 – Data on agency spend from March 2016 to present date for nursing services within the community.**

The Trust does not hold the information. It does not provide community services.

These services are provided by Livewell Southwest; however they are not subject to the requirements of the Freedom of Information Act 2000. This is because they are a Community Interest Company and not a Public Authority. Quick link - <https://livewellsouthwest.co.uk/>
